Welcome to the Napa Golf Course at Kennedy Park, we expect this to be a great outing in a beautiful setting. The golf course may be a little to much for Tiger, but just right for the rest of us. This is one of the finest Golf Courses in Northern California. It is a Jack Fleming and Bob Babcock design located in the heart of Napa Valley. So knock the dirt off those clubs and shoes and come on out. Send the pocket cash in. Don't let me have to come and get you all !!!

Format will be a modified four person scramble, you must play an assigned marked golf ball and return same to qualify to win.

Prizes for closest to the hole on all par 3's.
