

Ya all come visit in the cowboy town of Red Bluff April 17th thru the 21st. This will be our 3rd visit at the Rodeo. The feedback of previous trips is always good. We will be parked right in the middle of the cowboy and cowgirl show. We will be dry camping inside the rodeo grounds.

So you know what to do: fill water and propane tanks, empty black and gray holding tanks.

Things you missed last time you can see this *go around*. A great parade close by golf at it's finest. Someone was saying you have to have a handicap of under 50 or you are not allowed on the course. Truman Bennett will be carrying my bag this time, I had to let Tiger Woods go..he wanted me to practice too much...just what does he know?

Barbara and Al Knox say they are looking forward to Red Bluff. Based on how much income tax they have to pay, a collection could be arranged at the outing Al??

Last time we literally had the Clydesdale horses being groomed 25 yards from our parked coaches. Some of our guys went over to mingle with the horses and you couldn't tell the difference between them!!

Scary! No offense animals.

O.K...enough of this....just mark your calendar and be there!

Prizes will be given.

First place a new motor home of your choice..no engine but great mileage.

We can only accomadate 25 coaches with a cutoff date of April 1st.

If any changes occur, and I'm sure there will be we will let you know at the Rally.

Come...have a lot of fun and food.

Your hosts for the Rally are:

C.J & Mary King, President

Mike and Leslie Pettinger, Vice President & Secretary
