

PACIFIC NORTHWEST RALLY IN BLANCHARD, IDAHO JULY 2ND THRU JULY 6TH

*** * * A SPECIAL INVITATION TO THE NORTHERN CALIFORNIA CHAPTER MEMBERS * * ***

This special invitation is being extended to YOU because Truman and I have been members of the Northern California chapter for approximately 15 years but now that we have purchased an RV lot in Northern Idaho and plan to spend more time there we joined the Pacific Northwest Chapter.

We will be hosting a 4th of July rally in Idaho and over the past several months, every time we have told someone about the rally they say something like "I have a cousin in Sandpoint, a Sister in Coeur d'Alene, a brother in Spokane.....you get the idea!!!!

So, if you have been looking for a reason to visit Idaho, we want to extend a special invitation to YOU to join us, to have yet another reason to come our way, perhaps you will follow Merritt Mosby on to the ACC rally in Decatur, Indiana, or you might want to head North to British Columbia, East to Montana and the National Parks, South to Lewiston, the Snake River, Hells Canyon, West to Seattle and the ferry over to Vancouver Island. There is so much beautiful country to see, places to go, diesel prices are lower than they have been for a long time.....

The registration form for the rally will be posted on the Nor-Cal website and we would love to have you attend. We would be more than willing to help you plan a route, suggest a route based on how much extra time you might have to see things along the way, or RV parks within the Idaho area to stay over, whatever we can do to make the trip exciting for you.

Our RV lot is located in Blanchard, Idaho at Stoneridge Resort where there is an 18 hole golf course along with rental units, a timeshare property, walking trails, an outdoor swimming pool, hot tub, a restaurant, blue skies that go forever, mountains all around, and a view of Mount Spokane. The rally will be located on the property where we live, there is a club house within walking distance where we will have all of our activities, meals, etc.

The 4th of July is a great time to visit here because there are lots of parades, fireworks, craft fairs in the towns that surround us. The pace is a bit slower, the pride is strong, and it takes you back in time.....sometimes a better place to be!!!!

For our exact location you can either go online to www.stoneridgeidaho.com or look us up on the map: we are East of Spokane, Washington, North of Coeur d'Alene, Idaho. We are North of interstate 90 approximately 30 miles on hiway 41.

See you in July.....
