

November / December 2009 NorCal Chapter Newsletter

Hello everyone and greetings from Northern California. Fall is now here and it brings some of the nicest weather to our Pacific Coast. Rving on the coast this time of the year is great with daytime temps in the 70's and not too much wind.

Last weekend we held our Fall Rally at French Camp RV and Golf Resort. Our newest members, Pete and Eileen Smoot, made the trip from Southern California as did Ken and Betty Tilley and Ed and Claudia Brooks came down from Oregon. We also welcomed first timers Glenn and Jeannine Caldwell to our rally for a couple of days. Glenn and Jeannine were on their way to Oregon on a much deserved two week vacation in their beautiful Eagle. CJ King, Dick Forward and Glenn Caldwell were able to get in a game of golf on Friday. According to CJ, Glenn is one good golfer. On Saturday we played a friendly game of horseshoes with Pete Smoot and Dick Forward beating CJ King and myself for the championship. Nancy and I were the hosts of this rally and Nancy made sure that we all had plenty of good food to eat.

We hope everyone can attend the three chapter New Years Rally in Hemet December 28-January 2. I was asked to remind everyone that the mailing address as it appears on the flyer is wrong but the correct address appears on a label on the back of the envelope. Willie Morris always lines up the best of food and entertainment so this should be a great rally.

Mike Pettinger is home recovering from some major surgery. He will be down for a couple of months but we expect him back and ready to travel around the first of the year.

It looks like our good friends Brad and Elizabeth Monahan are moving to Houston. We will miss seeing them at the NorCal and SoCal events so it looks like Nancy and I will be spending more time in Texas. I know that they will head back our way every chance they get.

At this time we do not have a Spring Rally planned. We really need someone to step up and host this rally. Please contact me if you have any interest.

Nancy and I wish everyone a happy holiday season and safe travels.
