**Re:** NorCal Chapter annual membership renewal

**Date:** 1 June 2008

---

It's that time of year again...when your annual NorCal Chapter membership renewal is due.

We have some great rallies planned for later this year (Northwest-hosted rally in Canyonville, OR and a NorCal-hosted New Year's rally in a TBD location) and will soon be planning our rallies for 2009...so please send in your membership renewal to ensure that you can be part of the fun !

Please consider renewing your membership for multiple years to reduce future mailing costs for the NorCal Chapter. Those members that renew for multiple years will not be sent a membership renewal notice until their NorCal Chapter membership expires. The membership expiration for each NorCal member is indicated in the membership roster that is posted on the NorCal website at [www.norcalaca.com](http://www.norcalaca.com).
